

PACMail allows you to quickly and inexpensively send targeted, personalized communications to your customers to drive online ticket sales and strengthen customer relationships.

Increase Ticket Sales

This turnkey solution will help you drive ticket sales online and at your box office through increased customer awareness.

- ▶ Promote online sale of singles, seasons, renewals and ticket packages
- ▶ Sell out events and performances with last minute incentives
- ▶ Improve awareness of upcoming events

Save Time and Money

PACMail is significantly less expensive than traditional marketing methods such as direct mail, print advertising, and telemarketing programs.

PACMail: Overview

Your Internet-based email marketing solution that enables you to quickly and easily send targeted, personalized messages to your customers to drive ticket sales and strengthen relationships.

- ▶ Save time and money by reducing the need for telemarketers, print advertisements, printed collateral and postage
- ▶ Reduce average response time from 6-8 weeks via regular mail to 48 hours or less
- ▶ Provide live links to web site content such as ticket sales, promotions and upcoming events
- ▶ Broadcast last minute event changes such as event cancellations and parking / traffic alerts

PACMail in Action
